

ACHIEVEMENT UNLIMITED, INC.

Success is a habit!

Rose Mary works with organizations that want to develop great leadership for today and assure a continuum of leadership for tomorrow.

“Rose Mary conducted a keynote for our conference that was energized and informational. But what impressed me most about Rose Mary was the time she spent researching our business prior to the presentation so that when the time came, her program matched our needs.”

-Kevin Hensel, America First Companies

“Rose Mary is very knowledgeable and is a fantastic presenter. She is very personable and showed us how to make tough choices that had to be made. I highly recommend her to everyone who wants to improve their leadership.”

-Alison Brown Corson, Mosaic

“Rose Mary is a wonderful story teller whose presentations are spontaneous, fun and full of content. I really like her energy and style.”

-B. Turner, DT&M Co.

Rose Mary Hefley speaks from experience! She has spent 25 years insuring leaders have the tools they need to realize increased productivity, generate new revenue and build overall organizational success. She knows your business goals are unique, so each of her programs is customized to address your specific needs. Her background as an entrepreneur and leader will assure that you have actionable strategies that can be applied immediately. Rose Mary is a contributing author of the book *Speaking of Success* along with Jack Canfield, Ken Blanchard and Steven Covey. She is a member of the National Speakers Association. Some of her clients include JP Morgan Chase, One Burlington Capital Group, Northstar Financial Group, Distefano Technology & Manufacturing Co, Nebraska Society Professional Engineers, and PSC Construction.
